

FRIENDS OF SWGS

March 2013

"Your school needs YOU!!"

The FRIENDS of SWGS could do with a bit of extra help as we head towards a busy time of year for fund-raising. Could you spare a few hours to act as a willing helper at an event?

Or why not be your daughter's class representative and bring your expertise to the table – it would be great to have a rep from each form on the committee.

The next committee meeting is on MONDAY 20th MAY.

Do please come along and find out what is involved.

A big thank you to everyone who bought raffle tickets for our Spring Draw, which raised an amazing £1,500.

Pictured are a few of our favourite things: some of the items Friends have been able to fund in recent years to enhance our daughters' school life.....

The Friends present a cheque to the school's Mr Smith for the purchase of Lego Robots (shown right) in March 2013. Another cheque was presented for the purchase of a 3-D printer.

Furniture for the new Learning Resources Centre, 2008-09

New 12-seater minibus, purchased 2010-11. Slightly smaller than the one it replaced, it can be driven by those with newer driving licences.

In 2011-12, we contributed to the cost of installing Solar Panels. The 44 photovoltaic panels will help towards the school's Green Flag environmental award, and by using what we generate we will save almost £600 a year.
