4- 5										

Lunchtime Clubs: It is your responsibility to make time to eat your lunch therefore if you wish to leave your club early in order to do so then this is not a problem, just let the teacher / sports prefects in charge know at the beginning of the session. Any cancellation of clubs / fixtures due to bad weather etc will be either written up on the whiteboard outside our office, pinned on the PE Notice board or if enough notice has been given to us, a note in the daily school bulletin. It is your responsibility to look and check.

The PE Department has a 'happy open-door' policy - if after checking for yourselves, you are still unsure than please come and speak to us!
