Headteacher Michele Chilcott BSc MA **Deputy Headteacher** Amanda Smith BSc PhD

3 November 2018

The Governing Body of South Wilts Grammar School is consulting on proposed Admission for 2020-2021, as determined by the School Admissions Code and The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012.

South Wilts Grammar School is consulting on **planned changes to admission into our sixth form for September 2020**. The school plans to admit boys into the sixth form from 2020. Students currently on roll in the school, have an automatic right to a place, as long as they have met the required entry requirements. These requirements remain unchanged. We are required to consult on planned changes to the admission of external applicants into the sixth form. We currently have a published admission number of 90, for the number of external applicants we can admit into the school and currently these places are only open to girls. We are proposing that the places for external applicants be opened up to boys for entry into the sixth form in September 2020. As a consequence of this we have also made changes to the over subscription criteria to take this into account.

South Wilts Grammar School is consulting on **planned changes to our arrangement for entry into Year 7 from September 2020**. We plan to increase our published admission number from 160 to 180. These additional 20 places will be prioritised for students in receipt of the Pupil Premium (deprivation).

We welcome comments from anyone with an interest in the proposed arrangements, please email head@swgs.wilts.sch.uk or write to:

Mrs J Walsham, Clerk to Governors, South Wilts Grammar School, Stratford Road, Salisbury SP1 3JJ by 12.00 noon on Friday 18th January 2019.

With regards

Michele Chilcott
Headteacher
South Wilts Grammar School
