Introduction

South Wilts Grammar School is committed to safeguarding and promoting the welfare of children.

We will fulfil our local and national responsibilities as laid out in the following key documents:

- Working Together to Safeguard Children (2018)
- Keeping Children Safe in Education (2018)
- The Procedures of Wiltshire Safeguarding Children Board
See Appendix 1 for further relevant guidance documents

The aim of this policy is to ensure:

- all our pupils are safe and protected from harm.
- safeguarding procedures are in place to help pupils to feel safe and learn to stay safe.
- adults in the school community are aware of the expected behaviours and the school's legal responsibilities in relation to safeguarding and child protection.
- students develop in ways which foster their confidence, security and independence with a knowledge of who to speak to and the assurance that they will be listened to.

Scope

Safeguarding is defined as:

- ensuring that children grow up with the provision of safe and effective care
- taking action to enable all children to have the best life chances
- preventing impairment of children's health or development and
- protecting children from maltreatment.
-

The term 'safeguarding children' covers a range of measures including child protection procedures. It encompasses a preventative approach to keeping children safe that incorporates pupil health and safety; school behaviour and preventing bullying; supporting pupils with medical conditions; personal, health, social economic education; providing first aid and site security. Consequently, this policy is consistent with all other policies adopted by the governors and should be read alongside the Safeguarding Handbook and the following policies relevant to the safety and welfare of our pupils:

- Student Behaviour and Sanctions policy
- Health and Safety policy
- Code of Conduct
- Equality Statement
- Whistleblowing policy
- SEND policy
- Sex education
- Anti-bullying policy
- .E-safety Policy and WCSB Social networking procedure.
- Self Harm Policy

This policy applies to all staff and volunteers in our school.

For the purposes of this policy:

- **Staff** refers to all those working for or on behalf of the school, full time or part time, in a paid or voluntary capacity. A volunteer is a person who performs an activity that involves spending time, unpaid in school (except for approved expenses).
- **Parent** refers to birth parents and other adults who are in a parenting role, for example step-parents, foster carers and adoptive parents.
- **Child** refers to all children on our school roll and any child under the age of 18 who comes into contact with our school. This includes unborn babies.

Any safeguarding concerns or disclosures of abuse relating to a child at school or outside of school hours are within the scope of this policy.

Expectations

All staff are:

- familiar with this safeguarding policy and have an opportunity to contribute to its review.
- alert to signs and indicators of possible abuse.
- able to record and report concerns as set out in this policy.
- able to deal with a disclosure of abuse from a pupil.
- involved in the implementation of individual education programmes, integrated support plans, child in need plans and interagency child protection plans as required.
- advised to maintain an attitude of “if could happen here”, as far as safeguarding is concerned

In addition, all staff have read and understood Part 1 of the latest version of Keeping Children Safe in Education (KCSiE 2018). All staff working directly with children have also read Annex A.

Governors

As key strategic decision makers and vision setters for the school, the governors will make sure that our policies and procedures are in line with national and local safeguarding requirements. Governors will work with the senior leaders to make sure the following safeguarding essentials are in place:

Training/Teaching	Policy/Procedures	Staffing
Children taught about online safety Code of conduct D/DSL training KCSiE Part 1 Looked After Children (LAC) Online safety training for staff Prevent Staff training Whistleblowing	Child voice Children Missing out on education and Children Missing Education (CME) Concerns about staff conduct Dealing with a child at immediate risk Early help Female Genital Mutilation (FGM) Honour based violence (HBV) Peer on Peer abuse Reporting abuse /WSCB procedures SEND and safeguarding Staff contribution to policy Safeguarding policy review	Designated Safeguarding Lead (DSL) Deputy Designated Safeguarding lead (DDSL) Designated LAC teacher (even if there are no LAC on roll)

Allegations management

Our chair of governors is responsible for liaising with the local authority Designated Officer for Allegations (DOFA) and other partner agencies in the event of an allegation of abuse being made against the headteacher.

Audit

The nominated governor (NG) for safeguarding will liaise with the headteacher and the D/DSL to complete an annual safeguarding audit return to the local authority.

Safer Recruitment

Our governors monitor the school's safer recruitment practice.

Mandatory Procedure

Safer recruitment

All staff are subject to safer recruitment processes and checks and we follow the guidance set out in Part 3 of KCSiE.

At South Wilts Grammar School, we scrutinise all applications for paid or voluntary posts. We undertake interviews and make appropriate checks through the Disclosure and Barring Service (DBS). We maintain a single central record (SCR) of whether the essential checks as set out in KCSiE, have been carried out or certificates obtained. The SCR applies to:

- all staff (including supply staff, and teacher trainees on salaried routes) who work at the school.
- all members of the governing body.
- At South Wilts, volunteers are also included on the SCR

See also Training.

Code of conduct

South Wilts is committed to positive academic, social and emotional outcomes for our pupils underpinned by a strong safeguarding ethos. We are equally committed to the protection and welfare of our staff, who are expected to adhere to the highest standards of professional behaviour.

The Code of Conduct sets out staff behaviours that should be avoided as well as those that constitute safe practice including:

- the acceptable use of technologies,
- staff/pupil relationships
- communications including the use of social media

Teaching staff are additionally expected to act within the guidance of the 'personal and professional conduct' section of the Teachers' Standards.

Visitors

All visitors complete a signing in/out form, wear a school ID badge and are provided with key safeguarding information including the contact details of safeguarding personnel in school. Scheduled visitors in a professional role (eg fire officer) are asked to provide evidence of their role and employment details (usually an identity badge) upon arrival at school.

If the visit is unscheduled and the visitor is unknown to the school, we will contact the relevant organisation to verify the individual's identity, if necessary.

Curriculum – teaching about safeguarding

Our pupils access a broad and balanced curriculum that promotes their spiritual, moral, cultural, mental and physical development, and prepares them for the opportunities, responsibilities and experiences of life.

We provide opportunities for pupils to develop skills, concepts, attitudes and knowledge that promote their safety and well-being. The PSHE and citizenship curriculum specifically includes the following objectives:

- Developing pupil self-esteem and communication skills
- Developing strategies for self-protection including online safety
- Developing a sense of the boundaries between appropriate and inappropriate behaviour in adults and within peer relationships (positive relationships and consent)

Early help

At South Wilts, all our staff can identify children who may benefit from early help as a problem emerges, and discuss this with the D/DSL. As soon as the criteria are met, we refer to Wiltshire Early Help Service to ensure intervention at the earliest possible stage.

The school provides a school nurse, pastoral support, SENCO, Lay Chaplain, Peer listeners, school counsellor and refers onto other agencies such as CAMHS as appropriate.

The D/DSL consults the Multi-Agency Thresholds for Safeguarding Children on the WSCB website about suitable action to take when a pupil has been identified as making inadequate progress or having an unmet need.

Identifying the signs

All staff know how to recognise, and are alert to the signs of neglect and abuse. Definitions of abuse, set out in 'What to do if you're worried a child is being abused - Advice for practitioners' (2015) and 'Keeping Children Safe in Education' (2018) along with notes from Safeguarding training, are important reference documents for all staff.

Every member of staff is provided with a copy of Part 1 of KCSiE which they are required to read and which also includes supporting guidance about a number of specific safeguarding issues. Staff who work directly with children are also required to read Annex A of KCSiE (2018).

Responding to concerns/disclosures of abuse

All staff adhere to staff DOs and DON'Ts when concerned about abuse or when responding to a disclosure of abuse (Appendix 2)

All staff record any concern about or disclosure by a pupil of abuse or neglect and report this to the D/DSL using the standard form. It is the responsibility of each adult in school to ensure that the D/DSL receives the record of concern without delay. In the absence of the D/DSL, staff members know to speak directly to the MASH.

In some circumstances, the D/DSL or member of staff seeks advice by ringing the MASH for advice. (Appendix 3)

During term time, the DSL and/or a DDSL is always available during school hours for staff to discuss any safeguarding concerns.

The school website has a dedicated Safeguarding button on the front page to direct people who to contact if they have safeguarding concerns. There are also multiple links in the 'Student support' section of the website to direct people how to access support. A dedicated email address (dsl@swgs.wilts.sch.uk) is monitored by the DSL and/or DDSL during school hours.

The voice of the child is central to our safeguarding practice and students are encouraged to express and have their views given due weight in all matters affecting them. Students are spoken to about their entitlement to confidentiality and the limits to this when their own or the safety of others is compromised.

Missing children and children missing education

Staff report immediately to the D/DSL, if they know of any child who may be:

- Missing – whereabouts unknown or
- Missing education – (compulsory school age (5-16) with no school place and not electively home educated)

The designated teacher for LAC discusses any unauthorised/unexplained absence of Looked After Children with Virtual School when required.

Children who do not attend school regularly can be at increased risk of abuse and neglect. Where there is unauthorised/unexplained absence, and after reasonable attempts have been made to contact the family, we follow the WSCB procedure and refer to the MASH team as appropriate. Where there are welfare concerns about a pupil we follow our procedures for unauthorised absence and report concerns to the Education Welfare Service when a pupil:

- has 10 days or more continuous absence from school without an explanation (or fewer where there are concerns about the welfare of a pupil)
- has left school suddenly and the destination is unknown or
- has not taken up an allocated school place as expected.

Special Education Needs and Disability (SEND)

Pupils with additional needs face an increased risk of abuse and neglect. Staff take extra care to interpret correctly apparent signs of abuse or neglect. We never assume that behaviour, mood or injury relates to the pupil's additional needs without further exploration. Staff understand that additional challenges can exist when recognising abuse and neglect in pupils with SEND, including communication barriers. Staff recognise that children with SEND are also at a higher risk of peer group isolation and can be disproportionately affected by bullying.

In our school, pupils with SEND are encouraged to discuss their concerns and pastoral support is also available to address the additional challenges that children with SEND face. The D/DSL works with the Special Educational Needs Co-ordinator (SENCo) to identify pupils with additional communication needs and whenever possible, these pupils are given the chance to express themselves to a member of staff with appropriate communication skills.

Female Genital Mutilation (FGM)

FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences. Staff will inform the D/DSL immediately if they suspect a girl is at risk of FGM. We will report to the police any 'known' cases of FGM to the police as required by law.

Child Sexual Exploitation (CSE)

Staff are aware and alert to the signs of CSE, and undertake appropriate training.

Peer on Peer abuse

All our students have a right to attend school and learn in a safe environment. Occasionally, safeguarding allegations may be made against pupils by others in the school.

This is most likely to include, but not limited to:

- bullying (including cyber bullying)
- gender based violence/sexual assaults or

- sexting
- initiation/hazing type violence and rituals.

All peer on peer abuse is unacceptable and will be taken seriously. Staff recognise that while both boys and girls can abuse their peers, it is more likely that girls will be victims and boys perpetrators of such abuse. Peer on peer abuse is not tolerated, passed off as “banter” or seen as “part of growing up”. Consequently, it is dealt with as a safeguarding concern and **not** managed through the systems set out in the school behaviour and sanctions policy.

Victims, perpetrators and any other child affected by peer on peer abuse will be supported through the school’s pastoral system and the support will be regularly reviewed.

We minimise the risk of peer on peer abuse by providing:

- a relevant curriculum, that helps children to develop their understanding of acceptable behaviours, healthy relationships and keeping themselves safe.
- established/publicised systems for children to raise concerns with staff, knowing they will be listened to, supported and valued, and that the issues they raise will be taken seriously.

The DSL liaises with other professionals to develop robust risk assessments and appropriate specialist targeted work for children that are identified as posing a potential risk to other children.

Preventing radicalisation

Protecting children from the risk of radicalisation is seen as part of schools’ wider safeguarding duties, and is similar in nature to protecting pupils from other forms of harm and abuse.

Staff use their judgement in identifying pupils who might be at risk of radicalisation and speak to the D/DSL if they are concerned about a pupil. The D/DSL will always act proportionately and this may include making a referral to the Channel programme or to the MASH.

Off site visits and exchange visits

We carry out a risk assessment prior to any off-site visit and designate the specific roles and responsibilities of each adult, whether employed or volunteers.

Where there are safeguarding concerns or allegations that happen offsite, staff will follow the procedures described above and in Appendix 5

Any adult over 18 in a host family will be subject to DBS checks. We work with partner schools abroad to ensure that appropriate assurances are undertaken prior to any overseas visit by our students.

Record keeping and information sharing

The school will:

- keep clear written records of all pupil safeguarding and child protection concerns using a standard recording form, with a body map, including actions taken and outcomes as appropriate. Appendix 4
- ensure all student safeguarding and child protection records are kept securely in a locked location.
- ensure the records incorporate the wishes and views of the pupil.

The D/DSL acts in accordance with Information Sharing – Department for Education (DfE) (2015) and in line with the local authority's Record Keeping Guidance which includes details about file retention.

Information about pupils at risk of harm is shared with members of staff on a "need to know" basis. The D/DSL makes a judgement in each case. The D/DSL is aware that there is no absolute criteria for what constitutes 'significant harm' and discusses such complex cases with the statutory agencies.

We are committed to work in partnership with parents and carers. In most situations, we will discuss initial concerns with them. However, the D/DSL will not share information where there are concerns that if so doing would:

- place a child at increased risk of significant harm
- place an adult at increased risk of serious harm
- prejudice the prevention, detection or prosecution of a serious crime
- lead to unjustified delay in making enquiries about allegations of significant harm to a child, or serious harm to an adult.

Reasons for any decision to share or not share information will be recorded.

When we become aware that a student is being privately fostered, we remind the carer/parent of their legal duty to notify Wiltshire Children's Social Care. We follow this up by contacting Children's Social Care directly.

The D/DSL will keep up to date and accurate records of safeguarding training that has been completed, and signed handbook declarations.

Escalation policy

Effective working together depends on an open approach and honest relationships between colleagues and between agencies.

Staff must be confident and able to challenge decision-making as an entirely legitimate activity, as part of our professional responsibility to promote the best safeguarding practice. Staff are encouraged to press for re-consideration if a child's situation does not appear to be improving or if they do not feel a decision is right. In such cases the WSCB escalation policy is used. If we are on the receiving end of a professional challenge, we see this as an opportunity to reflect on our decision making.

Whistleblowing

All staff can raise concerns about poor or unsafe practice and potential failures in the school safeguarding regime. Our whistleblowing procedures, which are reflected in staff training and our Code of Conduct, are in place for such concerns to be raised with the headteacher, or the DSL. If a staff member feels unable to raise an issue with the headteacher or DSL or feels that their genuine concerns are not being addressed, other whistleblowing channels are open to them:

- The NSPCC whistleblowing helpline
Staff can call: 0800 028 0285 from 08:00 to 20:00, Monday to Friday, or e.mail help@nspcc.org.uk.
- A member of the governing body: Jaqui Goodall

Managing allegations against adults

South Wilts Grammar School follows the procedures set out in the WSCB Allegations against adults' flowchart (Appendix 5):

Where anyone in the school has a concern about the behaviour or an adult who works or volunteer at the school, they must immediately consult the Headteacher who will refer to the Designated Officer for Allegations (DOFA).

Any concern or allegation against the Headteacher will be reported to the Chair of Governors without informing the Headteacher.

All staff must remember that the welfare of a child is paramount and must not delay raising concerns because they are concerned that a colleague's career might be jeopardised.

Any allegation of abuse will be dealt with in a fair and consistent way that provides effective protection for the child and at the same time supports the person who is the subject of the allegation.

Training

All members of staff and volunteers have read, signed and understood the school's Code of Conduct and Safeguarding Handbook.

We ensure our foundation and advanced training attended meets the minimum standards set out by WSCB in the document 'WSCB recommended minimum standards for child protection training'.

Induction

The welfare of all our pupils is of paramount importance. All staff including volunteers are informed of our safeguarding procedures at induction. Our induction also includes:

- Plan of support for individuals appropriate to the role for which they have been hired
- Confirmation of the conduct expected of staff within the school – our staff Code of Conduct
- Opportunities for a new member of staff to discuss any issues or concerns about their role or responsibilities
- Confirmation of the line management/mentor process whereby any general concerns or issues about the person's ability or suitability will be addressed.

Safeguarding training

This training is for all staff and is updated every 3 years as a minimum to ensure staff understand their role in safeguarding. Any member of staff not present at this whole school session will receive this statutory training requirement on their return.

In addition, all staff members receive safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as necessary and at least annually. All staff also receive training in online safety and this is updated as necessary.

Advanced training

The D/DSL has additional multi agency training which is updated every two years as a minimum. The D/DSL also attend multi-agency courses relevant to school needs. Their knowledge and skills are refreshed at least annually eg: via e-bulletins or safeguarding fora with other D/DSLs. The D/DSL uses their training to ensure staff are given appropriate advice and updates.

Safer Recruitment

At least one person on any appointment panel has undertaken Safer Recruitment Training. This training is updated every five years as a minimum.

Prevent Radicalisation

All staff receive Prevent training.

Staff support

Due to the demanding, often distressing nature of child protection work, we support staff by providing an opportunity to talk through the challenges of this aspect of their role with a senior leader and to seek further support as appropriate.

Governors

Governors undertake the school's Induction programme. They may choose to complete face to face training for governors provided by Wiltshire Council. In addition, governors may choose to attend whole school safeguarding and child protection training.

Monitoring and review

Governors ensure that safeguarding is an agenda item on every full governing body meeting.

The headteacher ensures that safeguarding is an agenda item for every staff meeting.

This policy is reviewed annually or earlier as required by changes to legislation or statutory guidance.

The nominated governor meets the DSL every term (six times a year) to monitor the effectiveness of this policy.
