

GCSE Product Design at SWGS

Initial Ideas - Continued

Design 6 - A Lamp of a Journey

Design 7 - Head of a Dragon

Design 8 - Hill of Silhouettes

This section contains three design proposals with detailed text and diagrams. Design 6 is a lamp with a journey theme, Design 7 is a dragon head lamp, and Design 8 is a lamp with silhouettes. Each design includes a title, a brief description, and a list of features and materials.

Manufacturing Diary - Packaging: Using CAD - Continued

This section shows CAD drawings and manufacturing details for the product's packaging. It includes 2D and 3D views of the packaging structure, along with text explaining the design choices and manufacturing process.

Testing and Evaluating - Continued

Modifications if prototype was to be made again

This section discusses the testing and evaluation of the product and packaging. It includes a list of modifications that would be made if the product were to be produced again, such as using different materials and improving the packaging design.
